The Partido Comunista del Ecuador has received instructions from abroad to provoke Peruvian-Ecuadoran incidents of sufficient seriousness to warrant consideration by the Organization of American States (OAS). It is then allegedly planned to attempt to prevent settlement by the OAS so that the matter can be taken before the Security Council of the United Nations. There it is hoped that the USSR will be able to participate in arranging or delaying settlement in a manner which will embarrass the United States and let the USSR gain a hand in South American affairs.
